

Crypto tokens investments

Invest in a dual nature crypto portfolio:

- 60% mining cryptocurrencies.
- 40% trading cryptocurrencies.
- Get up to 80% of invested capital refunded when cancelling the account/portfolio prematurely (Subject to market value of selected crypto token(s)).
- Select from a list of 5 top cryptocurrencies.
- Invest from minimum ZAR 1 500.00 once off or monthly R 250.00.
- Expected ROI of 7% to 15 % minimum, average of 23% and a high of 34% per annum (conditions apply).
- Choose between 2 and 5 year terms.
- We do risk management and comprehensive crypto token analysis before investing.
- Products are not regulated by the FSCA, but under the jurisdiction of the SARB's whitepaper (read the whitepaper on our whitepaper at <https://www.hrihinvestments.org.za/About-us/>).
- Perfect for investment enthusiasts.
- Receive bonus crypto tokens for each invested year.

Cryptocurrencies are not regulated by the FSCA. We take all required precautions to secure all investments have the minimum amount of risk. We invest funds on our own platform. Crypto tokens, though profitable carry significant risk due to volatility. Please do not invest funds you can not afford to lose.
